

Greetings Olympiads:

As we near the end of our spring flag football season, we look forward to elevating our youth and exposing them to the amazing world of the National Football League (NFL). As such, we are building our Mamba Flag Football Team to participate in the upcoming New York JETS Regional tournament. This tournament will be held over two days in June—June 19th and 20th.

As we survey the talent, it is incredibly difficult to dictate who should comprise the team. With that said, our goal is to have the selection process be transparent and fair. Starting first with commitment levels, we need to know that the athlete and the athlete’s guardian(s) are on board. Being apart of this program will require a time and financial commitment. Details of the commitment can be found below:

To be able to participate the athlete must be:

- Born in 2006, 2007, or 2008 to participate in the 14U male competition, or
- Born in 2003, 2004, or 2005 to participate in the 17U female competition;
- Athletes must be able to pass the NSID age verification process

The cost to participate includes all of the following:

- Age verification fee
- Belt and jersey
- Hotel (participants must stay in NFL Flag contracted hotels), and
- Transportation, if applicable

	Hotel w/ Transportation	Hotel Only (athlete)	Hotel (Coaches/Admin)
QUAD (4 athletes per room)	\$175	N/A	N/A
DOUBLE* (2 athletes per room)	\$225	\$150	N/A
SINGLE (1 athlete/family)	\$350	\$200	\$150

*We have fundraising option available. Selling four (4) boxes of Snickers or M&Ms will offset the full cost of the “double” room option, with or without transportation, or half of the single/family room with transportation option. If a family doesn’t require transportation, the four (4) boxes will offset the entire cost. A refundable \$50 deposit is required to take this option.
